AutoYou

FABRIC & CARPET PROTECTION

AutoYou Fabric & Carpet Protection is designed to create long-lasting defence where it's needed most—beneath your feet and throughout your cabin.

Powered by our **Nano Lock** technology, it bonds at the fibre level to help reduce staining from spills, dirt, and daily use.

Safe for use around children and pets, the non-toxic, water-based formula supports a healthier cabin by actively reducing bacteria and extending material lifespan.

Perfect for high-traffic areas, it helps maintain a fresher, cleaner interior—without altering texture, colour, or breathability.

All backed by our lifetime transferable warranty.*

Protection Against:

- Food & drink stains
- UV damage
- Grease & oil
- Pet stains
- Sunscreen marks
- Shoe polish
- Make up stains
- Harsh Odours

AutoYou Fabric & Carpet Protection Benefits

Water based to protect you and your family

PFOS & PFOA free

Remove the penetrate and replace with Anti-bacterial formulation

LEATHER & VINYL PROTECTION

AutoYou Leather & Vinyl Protection is designed to keep your interior looking newer for longer.

Formulated to bond with leather and vinyl at the surface level, it creates a protective barrier against everyday spills, stains, and wear—without leaving a greasy finish.

The easy-to-maintain formula helps preserve the original look and feel of interior trim, maintaining a clean, refined finish that lasts.

Once applied, you'll see and feel the difference—supporting the long-term condition, comfort, and appearance of your vehicle's interior.

Protection Against:

- Food & drink stains
- UV damage
- Grease & oil
- Premature cracking
- Sunscreen marks
- Shoe polish
- Make up stains
- Pet stains

AutoYou Leather & Vinyl Protection Benefits

Penetrates & protects the surface

Solvent free formulation

Helps prevent cracking/fading

HIGH GRADE CERAMIC

AutoYou High Grade Ceramic is engineered for drivers who demand lasting protection in real-world conditions. Purpose-built for Australia's harsh climate, this professional-grade coating features high-tensile SiO_2 and nano technology, developed and manufactured in Japan for uncompromising quality and performance. With true 9H hardness, it shields against environmental fallout, organic contaminants, UV exposure, and everyday grime—reducing the effort needed for ongoing maintenance. The hydrophobic surface helps repel dirt and water, keeping your car cleaner for longer.

Designed with durability in mind, it delivers consistent, long-term protection without relying on high-gloss shine—just pure, performance-driven defense.

All backed by our lifetime transferable warranty.*

Protection Against:

- Acid rain
- Tree sap
- Bird & bat droppings
- UV fading/ Loss of gloss
- Road grime
- Industrial fallout
- Berry stains
- Bug splatter

AutoYou High Grade Ceramic Benefits

Lifetime transferrable warranty*

Enhanced Shine: Long-lasting, brilliant shine

Long-lasting Protection: No need to wax or polish
